Description

Zajednička advokatska kancelarija Marić & Mujezinović is a Serbian law firm working in close cooperation with Kinstellar, a leading independent law firm operating in Emerging Europe. Based in Belgrade, we provide focused, commercially oriented legal advice in the Anglo-Saxon style to leading market participants both in Serbia and the wider Balkan region. Our lawyers have advised international and local businesses, financial institutions and the Serbian state on many of the major deals in Serbia in the past ten years. The core areas of our practice are corporate and M&A, banking, finance & capital markets, infrastructure and projects, real estate, restructuring & insolvency, dispute resolution, competition/state aid, compliance, risk and sensitive investigations, energy, labour, private equity, telecoms, media and technology.
